Catrina,

At our meeting last Friday, the group liked what you submitted for conversation-starter questions, but wanted to change # 5 as I have noted below. Thank you for offering to prepare and make copies as well as donating the pens.

Thanks for all you do.

Ralph

Subject: Conversation Starter Questions

Hi Ralph, here is a draft of conversation-starter questions for the BT Conference. If the board approves, I will type these up and make up copies to place on the tables with the ink pens that ECU College of Education will donate.

1. What county/school do you work in, and what grade do you teach?
2. Where were you born/where did you grow up?
3. Why did you decide to become a Teacher and how long have you been teaching?
4. What is your favorite thing about being a Teacher?
5. ~~What is your least favorite thing about being a Teacher?~~ What is one thing you would like to change about your teaching practices?
6. What do you expect from this conference?
7. If you could instantly have a superpower to use in your classroom, what **would** it be and why?

All the best,

Catrina Davis, MSED
